

The Richmond region is excited and ready to welcome teams to **Legacy Park**! As you plan your trip, check out a few things you should know before you arrive.

The Richmond Region has been proud to play host to a range of sports tournaments – youth and adult alike – and we are excited to host (on and off the field) your upcoming event. While we are prepared for this healthy competition, our primary concern, particularly this year, is for the health and safety of players and fans. As you make plans for your trip to Richmond, please know that we are taking every precaution to ensure a safe environment, closely adhering to the guidance offered by Virginia’s governor and Department of Health. Your experience this year may be a bit different, but we are confident that your event can take place in a way that puts a priority on everyone’s wellbeing. We look forward to seeing you soon.

During your visit to the Richmond Region, you may notice that, as in so many other parts of the country, the Black Lives Matter movement that was sparked out of the killing of George Floyd has taken root here as well. While Richmond experienced some initial vandalism, including the defacement of historic monuments and some destruction of property, the overwhelming tenure of the demonstrations have been marked by peaceful protests, mutual respect and a spirit of optimism. Richmond has a long history marked by heroics and heartbreak, and our story is continuing to evolve.

## **LEGACY PARK COVID-19 SAFETY PROTOCOLS**

Most of the state of Virginia is currently in the [second phase of the “Forward Virginia” plan](#) to continue safely and gradually easing public health restrictions while containing the spread of COVID-19. Legacy Park has put a plan in place to implement the state’s guidelines and has taken steps that will be visible at the park.

- **LEGACY PARK SOCIAL DISTANCE SUCCESS PLAN:** <https://www.legacyarksports.com/wp-content/uploads/2020/05/SOCIAL-DISTANCE-SUCCESS-PLAN-FOR-LEGACY-FINAL-FINAL.pdf>

Legacy Park requires any parent of a player, players over 18, and all coaches must register and fill out the Legacy Park Waiver prior to arriving for your event.

Food trucks will be on-site during tournaments to offer food and beverage throughout the event. Below you will find a list of confirmed food trucks who will be on-site during your event:

- **KONA ICE (shaved ice & bottled water)**
- **The Ice Tea Lady & The Dude**

## **DINING INFORMATION**

Under the second phase of the “Forward Virginia” plan previously referenced, our local restaurants must strictly adhere to physical distancing guidelines, enhanced cleaning and disinfection practices, and enhanced workplace safety practices. Currently, restaurants are limited to 50% capacity while still maintaining six feet of physical distance (among other restrictions). Many of our favorite local restaurants are open for business through takeout, delivery, or curbside pickup. Click the link below to find food you can enjoy while you’re here.
